

»(1) A holder of concession for exploitation of mineral raw materials and a holder of an approval for an exploitation field of mineral raw materials which does not have concession shall keep annual records on mineral raw material reserves, and a holder of concession shall keep records on annual mineral raw material exploitation.

(2) A holder of concession and a holder of an approval for an exploitation field shall each year by 31 January submit to the ministry in charge of mining the data herein referred to in paragraph 1 of this Article as at 31 December of the previous year.«
